Cr./hr. = Credit/hour

Remarks:

1. Minimum graduation credits: 128 credits; Compulsory credits: 84 credits. Elective credits: 44 credits (elective credits include inter-departmental elective credits); the elective credits for majors in the department must not be lower than 32 credits.
2. In the first three years, students must take 16-30 credits per semester, and 9-30 credits per semester in the 4th year.
3. Elective courses are subject to change if necessary.
4. Please implement according to the school's "Implementation Measures for Students' Basic Abilities and Graduation Thresholds".
5. Off-campus internship courses are handled in accordance with relevant school regulations.
6. Students having graduated from a foreign country, including Hong Kong and Macau, with the equivalent of the second year of high school study of the ROC's high school sophomore level, or with a high school equivalent degree, need to take 140 credits. The program can be extended up to 3 academic years.
7. This form created in 2025/2/22, modified in 2025/09/21.
