- REMARKS:
1. Our school has established measures to implement basic student capabilities and graduation thresholds.
 2. Students are required to take labor education (0 credits, 4 hours) in the first two semesters of the first academic year.
 3. Students in grades 1 to 3 should take 16 to 30 credits in each semester. Students in grades 3 and 4 should take 9 to 30 credits in each semester.
 4. Minimum graduation credits: 128 credits; required credits: 86 credits. Elective credits: 42 credits (elective credits include inter-departmental elective credits). However, the elective credits for this department's major must not be less than 30 credits.
 5. Those who wish to be kindergarten teachers must pass the selection test of the Teacher Training Center and take at least 20 credits of pre-service education courses for kindergarten teachers at our school.
 6. Graduates of similar schools in foreign countries or Hong Kong and Macau whose graduation grade is equivalent to the second grade of domestic senior high schools and who have studied for a bachelor's degree in this university with equivalent academic qualifications, the minimum graduation credits are: 140 credits (including 20 cross-departmental credits); compulsory credits: 86 credits; elective credits: 54 credits (including cross-departmental elective credits), but the elective credits in the department must not be less than 21 credits, and the study period can be extended by three years.
 7. "Special Topic Production (I)" and "Special Topic Production (II)" are two semester courses. Students who have not obtained credits for "Special Topic Production (I)" are not allowed to take Course of "Special Topic Production (II)".
 8. "Curriculum Design for Kindergarten Education and Care Activities", "Kindergarten Teaching Materials and Methods (I)", and "Kindergarten Teaching Materials and Methods (II)"
 9. These three courses are prerequisite courses for taking "Kindergarten Teaching and Care Internship". Students must obtain passing scores in two or more of the above courses before they can take the "Kindergarten Teaching and Care Internship" course.
 10. Students must obtain a passing score in "Introduction to Early Childhood Education and Care" before they can proceed to "Kindergarten Teaching Materials and Methods (I)" and "Kindergarten Teaching Materials and Methods (II)".
 11. Students are required to take off-campus internship courses in the third grade and conduct a full semester internship. The relevant procedures are in accordance with the "Key Points for the Implementation of Off-campus Internship Teaching in the Department of Early Childhood Care of Our School".
 12. The elective courses listed in the table are for reference only and will be adjusted based on actual conditions.
