Cr./hr.=Credit/hour

Remarks:

1. The university has established regulations on basic competencies and graduation requirements for students.

2. Students are required to complete labor education (0 credits, 4 hours) in both semesters of the first academic year.

3. In the first three years, students must take 16–30 credits per semester, and in the fourth year, they must take 9–30 credits per semester.

4. Minimum graduation credits: 128 credits; Compulsory credits: 76credits.

Elective credits: 52 credits (including inter-departmental electives); however, at least 40 elective credits must be taken within the department.

5. Students who have graduated from foreign high schools, including those in Hong Kong and Macau, with an academic level equivalent to the second year of senior high school in Taiwan and who are admitted to the university under equivalent academic qualifications must complete a minimum of 140 credits.

(1) Compulsory credits: 85 credits.

(1) Compulsory credits: \$5 credits.
(2) Elective credits: \$5 credits (including inter-departmental electives), of which at least 43 elective credits must be taken within the department.
(3) The study period may be extended for up to three years.
(6) Students are required to take off-campus internship courses, which shall be conducted in accordance with the "Implementation Guidelines for Off-campus Internship Teaching for Students in the Department of Business and Foreign Languages."

7. ②: International Business Module Courses; O: Cross-domain Foreign Language Application Module.

8. The listed elective courses are for reference only and may be adjusted based on actual circumstances.
